OBJECTIVE

I'm a fresh graduate passionate in web development, seeking an entry-level position to kick-start my career. I'm driven by a desire to learn and grow while creating efficient and user-friendly software solutions.

EDUCATION

Batangas State University – Alangilan Campus   **2020 – 2024**

Bachelor of Science in Computer Engineering   *Golden Country Homes, Alangilan, Batangas City*

INTERNSHIP EXPERIENCE

IntegrityNet Solutions and Services   **February 2024 – May 2024**

Web Developer Intern   *M. Pastor Ave., Pallocan West, Batangas City*

- Developed a secure dashboard web application with a user-friendly interface, featuring login functionality and interactive elements.
- Managed database operations using uAdmin, a Go web framework open-sourced by IntegrityNet, while integrating frontend (HTML, CSS, JavaScript) and backend (Go) technologies.

PROJECTS

Website Portfolio   🔗 *https://ivanmaranan.pages.dev*

- Developed a responsive website portfolio showcasing professional skills and projects.
- Designed using Figma and translated into HTML, CSS, and JavaScript for a visually appealing and interactive experience.

SKILLS

Languages: Go, JavaScript, HTML, and CSS
Technologies: Figma, Git
